Setting New Benchmarks for Infrastructural Development

Gujarat is setting new benchmarks in infrastructure growth which has been marked by the government of India as the key to becoming a developed economy. As the first state with a legal framework for Public-Private Partnerships in the infrastructure domain, the state has seen rapid development. While the Delhi-Mumbai Industrial Corridor (DMIC) is boosting infrastructure, global investors are eyeing the special investment hubs of GIFT City and Dholera Smart City. An international airport at Dholera is slated to further global connectivity.

1	Dholera Smart City
2	Dholera Special Investment Region
3	GIFT City - Gandhinagar International FinTech City
4	Ahmedabad Mumbai Bullet Train
5	DREAM City - Diamond Research & Mercantile (Surat)
6	Dholera International Airport
7	Kalpasar Project
8	Jamnagar Amritsar Expressway
9	Delhi - Ahmedabad High-Speed Corridor
10	Rajkot AIIMS (Partially Functional)
11	Kutch Hybrid Renewable Energy Park
12	Ahmedabad Dholera Expressway
13	Mumbai-Delhi Expressway
14	Delhi Mumbai Industrial Corridor (DMIC)

The stated objective of initiating Gujarat Conex in 2023 was to connect the massive infrastructure projects of Gujarat and the regional construction industry with the cutting edge developments in construction technology. The inaugural edition of the trade show in 2023 exceeded expectations of success and all stakeholders called for regular future editions of the exhibition. The respective strengths of each of the joint organizers K and D Communication Limited, Messe Muenchen India Private Limited and Gujarat Contractor's Association were ably mustered to create what is now touted as Gujarat's largest trade fair for Construction Machinery & Vehicles, Building Material Machines, and Mining Machines.
