SNAPSHOT

The second edition of this tradeshow was successfully held to the utter satisfaction of all stakeholders. The initiative of two leading exhibition organizers, K and D Communication Limited and Messe Muenchen India Pvt. Ltd., along joint organizer Gujarat Contractors Association was extremely well received by the regional construction industry. The latest tools & technologies were displayed by industry leaders alongside innovations of the regional players. The visitors included contractors, builders, material suppliers and policy makers. The numerous connections, collaborations and partnerships established are slated to further boost Gujarat & India's infrastructure progress.

THE ORGANIZERS

K AND D
COMMUNICATION LIMITED

YOUR PARTNER
IN GROWTH SINCE 1995

K and D Communication Limited (KDCL) is India's largest trade fair and investment summit organizer, with over three decades of experience and more than 100+ international B2B exhibitions to its credit. Its portfolio of acclaimed B2B trade show brands includes ENGIMACH, India Machine Tools Show, Rajkot Machine Tools Show, Pune Machine Tools Show and ITMACH INDIA.

Renowned for turnkey event management, KDCL has partnered with the Government of India, several state governments, leading trade associations, and global organizers. It was the first Indian organizer to develop an exhibition venue in PPP model with the government of Gujarat – the Helipad Exhibition Centre, Gandhinagar, one of India's premier exhibition hubs.

Dedicated to leveraging trade show platforms for economic growth, KDCL continues to serve as a trusted catalyst for industrial development, connecting businesses, markets and opportunities worldwide.

Established in 1959, GCA is a representative body of the construction contractors' fraternity by Govt. Of Gujarat. With an aim to voice out concerns and provide regulation-related suggestions, GCA acts as an entity for the contractor community.

GCA has been organising various seminars, workshops and state-level conferences in the field of upcoming technological developments and policy changes pertaining to the infrastructure sector since its inception. Now, on a mission to boost the industry, GCA is taking the contractor's community to a level beyond borders.
